To ensure activation of your warranty you must register your new pump via the reply card or at:

<http://www.epumpdoctor.com/registration.asp>

### ***Why use OEM parts?***

- ***No risk of voiding warranty***
- ***Ensures maximum operating efficiency***
- ***Maintains manufacturer's performance specs.***
- ***Guarantees compatibility***
- ***Available sales & tech. support***

- Your pump was shipped with an Installation and Operation Manual. If you did not receive one please request it at the time you register your pump.
- **We strongly recommend that you keep a Power End Kit in stock. This will greatly reduce the labor required to restore the pump to the OEM specifications.**

Peerless does offer installation, commissioning and other field services. These services can be arranged by calling

**(800) 879-0182.**
